Selling what semen I have in this tank and then will also sell the tank. 6 canister tank. Still in use and still gets serviced regularly. Also have a smaller tank I used during breeding or for transport but hasn't been used or filled for a few years. It's missing three of the canisters. Make an offer on whatever your interested in. *Won't sell big tank until I sell most of the semen at least.

Here's a list of the semen:

- Colburn Primo 5153 x3
- Silveiras Style 9303 x1 sold ✗
- SSJPRS Tail Gator 621z x4
- SSC Shell Shocked 44B x3
- Jass On The Mark 69D x2 sold ✗
- Mr Sr Right Now x2 sold ✗
- USC Herbie 702E x6
